

## Dedalus identified as the most prominently used EMR supplier outside the US by KLAS Research

Dedalus is a leading Global Health Software (or HealthTech) Company, and one of the world's largest companies in its field. It offers open standards-based solutions across the whole continuum of care.

Milan, May 04th 2021 – Dedalus Group ("Dedalus") is pleased to have been recognised by KLAS today as the “most prominently used EMR supplier outside of the US” in their report: Global (Non-US) EMR Market Share 2021 for Vendor Review.

Their research identifies 1,277 hospitals outside of the US that are supported by a Dedalus EMR. In 2020, 20 new hospitals with over 12,000 beds have chosen one of Dedalus’ EMR solutions.

KLAS Research also highlight Dedalus’ continued leading position in the European EMR market. Following the acquisition of DXC Technology’s healthcare software business on 1 April 2021, 1,248 European hospitals are supported by a Dedalus EMR<sup>1</sup>.

This result demonstrates the continuing success of Dedalus’ strategy to develop its position as a global leader in innovative healthcare solutions and to be our clients’ preferred partner on their digital journey.

Andrea Fiumicelli, CEO of Dedalus Group, stated: “Dedalus are delighted to have been recognized in this KLAS Research report. Our vision is for a digitally-enabled healthcare ecosystem where all stakeholders actively collaborate across the continuum of care to improve each citizen's health outcomes.

### ABOUT DEDALUS

Founded in Florence in 1982 by the current Chairman Giorgio Moretti, Dedalus Group is the leading healthcare and diagnostic software provider in Europe and one of the largest in the world. The shareholding structure ensures stability and great financial capacity through the presence of Ardian, the largest private investment company in Europe and the fourth in the world.

<sup>1</sup> Dedalus = 1,121 and DXC Technology = 127

Dedalus employs over 5,900 people, with circa 2,000 solely in R&D, generating a turnover of over 700 million euros. This combined with our dedicated focus on IT solutions for healthcare means that our clients will see increasing value through software innovation, support, and collaboration over the coming months and years.

Thanks to the acquisition of DXC's healthcare software provider business, Dedalus is consolidating its strategic leadership in the healthcare software industry, with a market leading position in Hospital IT (HCIS) and Diagnostic (DIS) in the Germany, Italy, France, United Kingdom, Denmark, Australia, Ireland and New Zealand. It also has a strong footprint in Northern Europe, Austria, Switzerland, Spain, China, Brazil, and several countries in Latin America, the Middle East and Africa, having a presence in over 40 different countries. This acquisition will allow Dedalus to expand its existing business in major European markets, expand into new markets around the world, and establish a highly skilled management team led by Dedalus CEO Andrea Fiumicelli, and Giorgio Moretti, Chairman of the Company.

#### ABOUT ARDIAN

Ardian is a world-leading private investment house with assets of US\$100bn managed or advised in Europe, the Americas and Asia. The company is majority-owned by its employees. It keeps entrepreneurship at its heart and focuses on delivering excellent investment performance to its global investor base. Through its commitment to shared outcomes for all stakeholders, Ardian's activities fuel individual, corporate and economic growth around the world. Holding close its core values of excellence, loyalty and entrepreneurship, Ardian maintains a truly global network, with more than 670 employees working from fifteen offices across Europe (Frankfurt, Jersey, London, Luxembourg, Madrid, Milan, Paris and Zurich), the Americas (New York, San Francisco and Santiago) and Asia (Beijing, Singapore, Tokyo and Seoul). It manages funds on behalf of around 1.000 clients through five pillars of investment expertise: Fund of Funds, Direct Funds, Infrastructure, Real Estate and Private Debt.

#### ABOUT KLAS Research

KLAS is a research and insights firm on a global mission to improve healthcare delivery by amplifying the provider's voice. Working with thousands of healthcare professionals and clinicians, KLAS gathers data and insights on software, services and medical equipment to deliver timely reports, trends and statistical overviews. The research directly represents the provider voice and acts as a catalyst for improving vendor performance.
