

## DeepUnity Capture

### MEDICAL PHOTO AND VIDEO DOCUMENTATION - OUT OF THE BOX

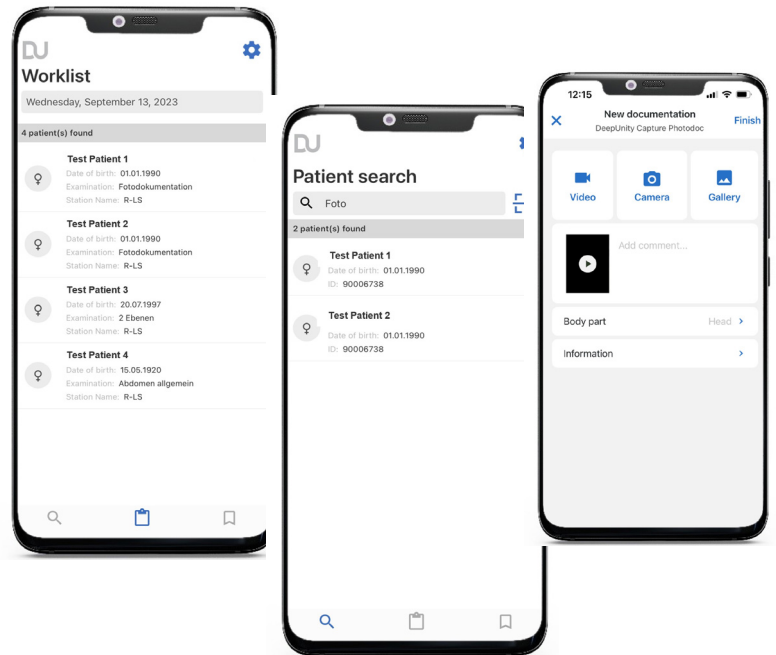

**Save valuable time** during the documentation

**Never miss any meta data** -  
Images and videos directly  
in DICOM format

**Improved workflow**  
3 comfortable ways  
to start your  
documentation with  
patient context

## DIAGNOSTIC IMAGING IT

### Pic-ture perfect efficiency

DeepUnity Capture acts as a modality which leads to an easy “plug and play” approach for integrating the solution into your IT-Landscape.

Start DeepUnity  
Capture App

Choose  
a patient

Take a photo  
or record a video

Upload image or  
video into PACS
