

Dedalus Becomes a Member of the SAP® PartnerEdge® Open Ecosystem

Milan, November 25, 2022 – Dedalus Group ("Dedalus"), a leading international healthcare software solutions provider, today announced that it has become a member of the SAP® PartnerEdge® open ecosystem to explore development opportunities focused on the healthcare industry.

This membership aims to leverage SAP technologies to build innovative solutions for the healthcare ecosystem: from Patient Administration to Revenue Cycle Management, from solutions leveraging on the intelligent combination of operational and experience data in the context of Clinical Information Systems to any other strategic areas of interest. The new membership helps build on Dedalus' international experience and global footprint, as well as its work on modern standards like FHIR services, to create innovative solutions for the healthcare industry.

"Besides Patient Administration and Revenue Cycle Management, there is a huge space for solutions able to combine operational and experience data, which are key for the future of any modern healthcare provider organisation. Becoming a member of the SAP PartnerEdge open ecosystem is the natural next step for Dedalus to help bring great value to the market," comments Michael Dahlweid, Chief Product and Clinical Officer of Dedalus.
