

Dedalus ranked #1 in” 2024 Best in KLAS: Software & Services” for Acute Care EHR in DACH and Southern Europe

Dedalus, a global leader in healthcare technology, proudly announces its remarkable achievement as the top-ranked provider in the 2024 Best in KLAS: Software & Services for Acute Care Electronic Health Records (EHR) in the DACH (Germany, Austria, Switzerland) and in Southern Europe regions, as indicated in the [2024 Best in KLAS Awards - Global Software](#) report.

The annual KLAS rankings are widely regarded as a prestigious recognition within the healthcare industry, showcasing excellence and innovation in healthcare software and services. Dedalus' dedication to advancing healthcare solutions has earned the organization the coveted #1 spot in the Acute Care EHR category for the specified regions through its ORBIS and Dedalus Care solutions.

This significant acknowledgment reaffirms Dedalus' commitment to delivering cutting-edge technologies and services that empower healthcare providers to enhance patient care, streamline workflows, and achieve operational excellence. The Best in KLAS award reflects the collective efforts of Dedalus' skilled professionals and their determined dedication to innovation, quality, and customer satisfaction.

Dedalus has consistently demonstrated a passion for driving positive change in healthcare, and this latest recognition further underscores the company's position as a trailblazer in the industry. The acknowledgment from KLAS, renowned for its impartial evaluations based on extensive client feedback, serves as a testament to Dedalus' ability to meet the evolving needs of healthcare organizations.

Alberto Calcagno, CEO Dedalus Group, expressed gratitude for the recognition, stating, *"We are honored to be recognized as the top Acute Care EHR provider in DACH and Southern Europe by KLAS. These achievements reflect our commitment to delivering solutions that empower healthcare professionals and improve patient outcomes.* Andrea Fiumicelli, Chairman of the board continues *"We are dedicated to pushing the boundaries of healthcare technology, and this recognition fuels our determination to continue innovating and supporting our clients in their evolving needs."*

"At KLAS, we firmly believe that the voice of healthcare providers and payers is paramount. The Best in KLAS awards are based on extensive feedback and evaluations from healthcare professionals across the nation. Winning a Best in KLAS award, therefore, is not just about recognition; it shows the trust and confidence that healthcare providers place in the winning vendors. It also helps validate each vendor's commitment to innovation, quality, and customer satisfaction. We are proud to recognize 2024's Best in KLAS award winners! Their
