

Dedalus Group: Vincenzo Giannattasio Dell'Isola named Regional General Manager Dedalus Italia

Milan, 24th June 2024 - Dedalus Group, the leading healthcare and diagnostic software solutions provider in Europe and one of the largest in the world, announces that , effective July 1st, Vincenzo Giannattasio Dell'Isola has been named Regional General Manager of Dedalus Italia, the group's company dedicated to the digitalisation of public and private healthcare systems in Italy.

Vincenzo Giannattasio Dell'Isola brings thirty years of experience in the Healthcare, Information Technology and Management Consulting sectors gained in the most important multinational companies operating in the European, Middle East and African markets. Fifteen years of experience in the Medical Devices, Diagnostics, Pharmaceuticals and Life Sciences sectors on European, Middle East and African markets; eight years of experience in the Information Technology sector on the European market and seven years of experience in Management Consulting, mainly in the Healthcare sector on the European market.

“I am honored to join Team Dedalus”, said Vincenzo Giannattasio Dell'Isola. “Today the healthcare sector is living a profound transformation aiming to improve the clinical outcomes for millions of patients thanks to digital solutions. I look forward to the opportunity to accelerate and contribute to this change with Dedalus, a world leader in healthcare software. I believe that not only will we achieve the expected growth results, but that we will really make a difference in people's daily lives”.

“The arrival of Vincenzo Giannattasio Dell'Isola in our Italian team represents an important step in our company history, opening a new phase of growth. We strongly believe that his wide market knowledge and expertise will help Dedalus Italia to catch the tremendous opportunities of this market.” Alberto Calcagno, CEO of Dedalus Group, commented.
