

## **Dedalus Ranked #1 in “2026 Best in KLAS: Software & Services” for Acute Care EHR in DACH and Southern Europe**

**Milan, Italy, 6th of February 2026** – Dedalus Group ("Dedalus"), the global leader in health software, with a vast network of hospitals serving a population of over 540 million patients, proudly announces its continued excellence as the top-ranked provider in the **2026 Best in KLAS: Software & Services for Acute Care Electronic Health Records (EHR)** in the **DACH (Germany, Austria, Switzerland)** and **Southern Europe (mainly Spain)** regions.

The annual KLAS rankings are widely regarded as one of the most prestigious recognitions within the healthcare industry, highlighting outstanding performance and innovation in healthcare software and services. Dedalus has once again secured **the #1 position in the Acute Care EHR category for the DACH and Southern Europe regions for the third consecutive year**, reflecting high levels of customer satisfaction with the reliability, stability, and value delivered by Dedalus' acute care EHR portfolio, such as **ORBIS and Dedalus Care**.

This significant recognition reaffirms Dedalus' ongoing commitment to delivering cutting-edge technologies and services that empower healthcare providers to enhance patient care, optimize clinical workflows, and achieve operational excellence. The Best in KLAS award reflects the collective efforts of Dedalus' skilled professionals and their unwavering dedication to innovation, quality, and customer satisfaction.

Dedalus continues to demonstrate a strong passion for driving meaningful transformation in healthcare **through innovative solutions that unlock the value of data across the care continuum**. This latest acknowledgment further underscores the company's position as a trusted partner and industry leader. Recognition from KLAS, renowned for its independent and impartial evaluations based on extensive client feedback, stands as a testament to Dedalus' ability to meet the evolving needs of healthcare organizations across diverse regions.

**Alberto Calcagno, CEO of Dedalus Group, commented:** "We are honored to once again be recognized by KLAS as the top Acute Care EHR provider in DACH and Southern Europe. Achieving this distinction for the third consecutive year reflects the trust our customers place in us and our continued commitment to delivering innovative solutions that empower healthcare professionals and improve patient outcomes."

**Marisa Felipe, Regional Managing Director of Dedalus Iberia, stated:** "We are proud to be recognized by KLAS as the leading Acute Care EHR provider in Southern Europe, particularly for our leadership in Spain. This recognition reflects our commitment to innovation and to delivering solutions that enhance the experience of healthcare professionals and patients. We thank our clients for their trust and collaboration in building a more efficient, accessible, and sustainable healthcare system."

**Winfried Post, Managing Director and General Manager of Dedalus DACH (Germany, Austria, Switzerland), added:** "For us, this award confirms our consistent and focused

*work to truly understand the needs of hospital stakeholders and translate that understanding into meaningful digital solutions. Receiving this recognition for the third time motivates us to continue pursuing long-term, impactful, and responsible innovation that supports healthcare systems today and into the future."*

**Adam Gale, CEO, KLAS Research,** added: "The Best in KLAS awards recognize the vendors who consistently deliver excellence through partnership with healthcare organizations. Winning this award means customers trust you to help them succeed in our rapidly changing healthcare landscape. This means helping them to improve patient care, achieve better outcomes, and find true ROI. We're honored to amplify the voice of providers and payers at KLAS, and to celebrate those vendors who turn feedback into action."
