

## **Dedalus ranked #1 in "2025 Best in KLAS: Software & Services" for Acute Care EHR in DACH and Southern Europe**

**Milan, Italy, 6<sup>th</sup> of February 2025-** Dedalus Group ("Dedalus"), the global leader in health software, with a vast network of hospitals serving a population of over 540 million patients, proudly announces its remarkable achievement as the top-ranked provider in the 2025 Best in KLAS: Software & Services for Acute Care Electronic Health Records (EHR) in the DACH (Germany, Austria, Switzerland) and in Southern Europe (mainly Spain) regions.

The annual KLAS rankings are widely regarded as a prestigious recognition within the healthcare industry, showcasing excellence and innovation in healthcare software and services. Dedalus' commitment to advancing healthcare solutions has secured the #1 spot in the Acute Care EHR category for the DACH and Southern Europe regions for the second consecutive year, thanks to its ORBIS and Dedalus Care solutions.

This significant acknowledgment reaffirms Dedalus' commitment to delivering cutting-edge technologies and services that empower healthcare providers to enhance patient care, streamline workflows, and achieve operational excellence. The Best in KLAS award reflects the collective efforts of Dedalus' skilled professionals and their determined dedication to innovation, quality, and customer satisfaction.

Dedalus has consistently demonstrated a passion for driving positive change in healthcare, and this latest recognition further underscores the company's position as a trailblazer in the industry. The acknowledgment from KLAS, renowned for its impartial evaluations based on extensive client feedback, serves as a testament to Dedalus' ability to meet the evolving needs of healthcare organizations.

Alberto Calcagno, CEO Dedalus Group, expressed gratitude for the recognition, stating, *"We are honored to be recognized by KLAS as the top Acute Care EHR provider in DACH and Southern Europe for the second consecutive year. These achievements reflect our commitment to delivering innovative solutions that empower healthcare professionals and enhance patient outcomes."*

Marisa Felipe, Regional Managing Director of Dedalus Iberia, states: *"We are extremely proud and grateful to be recognized by KLAS as the best Acute Care Electronic Medical Record provider in Southern Europe, especially for our leadership in Spain. This achievement reaffirms our commitment to innovation and the development of technological solutions that enable healthcare organizations to enhance the experience of healthcare professionals and patients, as well as the quality and continuity of care. We would like to extend our gratitude to our clients for their trust and collaboration in implementing transformational*

*projects that contribute to a more accessible, efficient, and sustainable healthcare system, ultimately improving the quality of life for society."*

*"For us, the award is a confirmation of our constant and persistent work to give hospital stakeholders exactly what they need - a deep understanding of their tasks that creates the best possible implementation of digitalisation.*

*With this in mind, we are delighted to receive the award for the second time," says Winfried Post, Managing Director and General Manager of Dedalus DACH (Germany, Austria, Switzerland).*

*"It has long been clear to us that our endeavours must be long-term and meaningful. And that is why we will continue on this path."*

*"Congratulations to the 2025 winners of the Best in KLAS awards! In the ever-evolving healthcare landscape, achieving excellence is no small feat. Winning a Best in KLAS award signifies a commitment to delivering outstanding value and innovation to healthcare providers and patients alike. It is a testament to their hard work, dedication, and passion--all of which are needed to drive our industry forward. It is my hope that these awards inspire the winners and other companies to reach new heights." - Adam Gale, KLAS CEO.*
